SENATOR SALAND ENDORSED BY THE TOWN OF POUGHKEEPSIE PBA

POUGHKEEPSIE, NY- Senator Steve Saland (R, C, I-Poughkeepsie) today announced that he was unanimously endorsed by the Town of Poughkeepsie Patrolmen's Benevolent Association (PBA) as a candidate for the New York State Senate, 41st District.

PBA President Frank Denardo credited Saland's leadership and support of the Town Police; "Because of this support, not only have you increased the safety of our community, you have enhanced the well-being of our officers as they perform their jobs everyday protecting the citizens of the Town of Poughkeepsie."

An outspoken advocate for public safety initiatives in the New York State Senate, Senator Saland has secured more than \$2.7 million dollars for local law enforcement agencies.

"The men and women of the Town of Poughkeepsie Police are outstanding examples of exemplary police work. I am honored to receive their endorsement," said Saland.
