SENATOR SALAND ENDORSED BY THE NEW YORK STATE ASSOCIATION OF PBAS

Senator Steve Saland (R,I,C-Poughkeepsie) today announced that he has been endorsed by the New York State Association of PBAs as a candidate for the New York State Senate, 41st District.

The New York State Association of PBAs is an organization representing more than 40,000 law enforcement officers from more than fifty labor support organizations throughout the State of New York.

According to Thomas Willdigg, President and Bing Markee, Legislative Director/Chairman of the Association, the endorsement is based upon Senator Saland's "well known, documented positions taken in support of law and order, the friendship you have exhibited toward police officers and because of the confidence we have in you to be an effective representative."

"I am honored to receive the endorsement of an Association that represents thousands of fine men and women law enforcement officers who put their lives on the line daily to protect their fellow citizens," said Senator Saland. "This acknowledgment of my support for issues important to its members is indeed gratifying."
